

CITY OF WASHINGTON, ILLINOIS
Public Safety Committee Agenda Communication

Meeting Date: November 14, 2022

Prepared By: Chief McCoy and DC Stevens

Agenda Item: Update on purchase of Police Radios

Explanation: Previously the Council had approved the purchase of Police radios (31) for approx.. 122,000.00 based on a condition that the State of Illinois would provide the money. The state had delayed the money but we now we can get reimbursed. The price has risen to \$129,296.46. We would like to go ahead and order because we know the money is coming.

Can we go ahead and order based on the previous ok or do we need a new authorization? This price is good until November 17th. We would like to order 35 radios instead of 31.

The 35 radios based on 25 full time and 10 part time officers. That price would be \$145,979.87.

Fiscal Impact: \$145,979.87 Totally reimbursed based on two sources of money

Action Requested: Permission to purchase.
